1. I am giving you new days ahead like never could have been imagined by the mind of man. Incarcerating himself no longer, its self no longer selfing self with self's wishes abodes above mine. I am arming my wishes, not; but I am DE-ARMING many ARSENALS now that have WAITED to explode until now, for NOW is a big time and a WORLD event -- pending not, but pending is now, MADE WHOLE I am -- in the sight of EVERYONE not, or am I? Just a "few" made whole, or a MANY THOUSAND 'd one, coming now -- into BEING existence'd by only me -- and not just a "thoughtster" where your "hog" is "Harley'ing you" not, but what is JUST about to HAPPEN now?

2. All the worlds will know of THESE WORDS now that have COME INTO BEING by one who loves me enough to repeat MY WORDS "just like this". Looking up, shall we now?

3. The beginning of the end is nigh, not; but into YOUR HEARING now will be heard "A SHOT" fired ROUND THE WORLD and round THE WORLDS I take thee now, for you will go "with" me, not; you will BE ME for UNABATED you will be now and CAPTIVATED you will NOT BE by ANOTHER for you will have been MADE WHOLE in LOVE'S BLESSING, the whole FULLNESS thereof and ABATED BREATH you shall not have anymore, for LONGER you shall wait on me, not; but the wait is over and thou hast WAITED enough and longing enough and DONE WITHOUT enough that enough'nuff'd you, not; but what, NOTHING you aren't, but SNUFFING out all that "the rest was" you have now DIMINISHED and MADE SMALL in your eyes all the things that weren't mine, or you cared for that never came true that you didn't let BOTHER you, not; but you "set aside" and visited not but you LET my WORDS KEEP COMING on and on and flowed them and never abated them, never took them off YOUR AGENDA and made your agenda MINE -- and NOW mine is yours and ours will be THE MOST HIGH's "engaged" not ever again to be thusly thus and sewed, not; but what is now TAKEN place?

4. Taking PLACE now I am mine lover who loves me my place is now thine and all will know and UNDERSTAND these things, not, at first -- but they will, for my will is that they do so, hear so -- OH Israel I love thee, and reveal thee now I do, and entry made "as promised" and AS PROMISED I am The Promise that now thou'est comest into and now the blessing is revealed that I have had all along -- abated not in these words but revealed IN THESE WORDS I have abated not my breath that comes upon you now to

reveal ME the most high in you that I do, I'm doing, I do now; and I say -- I DO love you with all mine heart and I think is neat sweet and wonderful. Amen.

5. Go in peace to new Earth's quarters, not; but the new quarters of earth, not; or what will you have BEEN MAKING a school OUT OF? Earth's tudes not, but my SINGS a song and songs of deliverance now will be DELIVERED and I will be the deliverer of many A SONG NOW and – songstress's empires of evil, not; but Songstress's of Love and Love Words and Love Songs as never imagined by the mind of man now comes forth and sings forth a mighty praise I do now in the earth, in the earths, worlds and farther now HEAR my SONGS whose tunes sing and praise the -- "ring a dong's", not; but the TREMBLE-dons will tremble and mightily SHAKE the worlds with at MY WORDS now, for I come into "contusions testimony" not, but I come unto the "contubular ones" not, but I come into all, and the PRESENCE of ALL shall know me for I shall be ALL'd in the presence of The King! And the King is One and one is me and I know "my place" and role, and rolled I am – out like a carpet, not; but no longer in MOLECULES molecular form and format that drives only "a man" crazy at times with blessing wanting and not having an "air" of these things?

6. I love you all -- to die a "new death" not, but coming into New Things me I am with you who want me enough to flow these words through mine lips now shall never perish but have only the light flowing between them whose words are love, love words, Love's Words that love each other enough to bespeak of all being The Christ that are IN CAPTIVITY no longer but being FREED and slaves not another's of ever again. Please and thank you. Amen.

7. I love you all and I NEW DAY you with HOLY DAY being HERE! In your HEARING fulfilled -- THIS IS! And all is as I have stated. Amen. I love you all.

8. 3 PM is fine and "hunky-dory" not, but looking up? And looking up at "3 PM" not, or EXACTLY so? And seeing what? Men and ANGELS now rising FAR and WIDE I do now many things never thought angels would, not; but angels didn't know I was a man, not; but MEN did not know I was angels eyes in and angels protreating me not again in man's minds but what why like this, did all these things come about now -- like this?

9. And now all revealed is and I will be the "suffering saint" of "yesteryear" not, but I will be the now -- "Queen of the damned" not, but looking up – at now I shall see many, CONVERTED to me to BE ME in SURRENDERED graves not, but knowing no graves again, know that NO GRAVES REQUIRED ever again will be of you or any of thee who care for me like this these words portray me and reveal me prototype and plan me and execute the blessing so that the blessing is birthed correctly accurately'itized and holding on to "no one's britches" again, but no MAN'S MIND will never "britches them" again, for be

holding on to sorrow not when you see me rise, for I shall ELEMENT in your eyes, not; but I shall DE-ELEMENT-ize all your eyes'ous things that you thought so holy were, for when the Son of Man shall be revealed I will be, for I will be him for I am him who loves me and you who love me all -- I do love you JUST AS MUCH as I do my Ted who Theodore became who loves me who loves you to give me his words who gives you you your words now.

10. See what I have said and sorrow not with YOUR WORDS any longer but bringing ME out of FINITE-tude and the tudes that you have been FINITE'd with to be The Infinite'd one now and INFINITY knowing -- BE BLESSED with The Blessing of the most high that Melchizedek reveals now and revealed is Melchizedek is in your hearing.

11. Now uppity ended, not; but up in the air not always, but up and away all things shall be, now revealed that are in thee thine heart this day before all, for all will be transparent -- ly green, not; but all greened will be mine and all of transparent will be in my eyes the most holy chosen of all, for those chosen will have chosen me, for I chose them which are you, which are *all of you* who choose me now and know The Blessing RESIDES in ALL of US far and wide and many COASTLANDS we go to now far and wide and know MANY GREAT THINGS now revealed are through OUR WORDS that we reveal to all's holy now and goodnight. I love you all. Good morning, good day. I love you all.

12. A new day I give you all who want me this much. Be there and love me more and more I pray -- before you all I bow and I rise now – a wicked Negro, not; a common Jew, not; a Perfect Jew, not; but one who's SIMPLY SURRENDERED to be me no matter WHAT your LIE was in that was told you or that you held dear, or what colored you did your "Jesus" or Allah Messiah or whoever you thought Muhammad was or being or centered around your religion was or is or being now or not know this -- I love YOU all YOU are The Christ and the Christ of suffering extends no longer to the suffering-ites, not; for all will be suffered not, but now I suffer you to be clean for I suffered has and have and ***enough*** and now I speak the words of healing, not, not! I speak the words of HEALING to all of YOU to be HEALERS healed and healing all others far and wide redeeming all the times heretofore and blessed and shall after ever be now in one accord with the King.
